Snapshot report

**Under the agreement for 2017
Wooroolin State School received**

\$24,085

Our full 2017 agreement can be found here:

<http://www.woorooliss.eq.edu.au/forms/Investing%20for%20Success.pdf>

Our school initiatives are showing substantial progress towards our targets. We are continuing to develop opportunities created with the Investing for Success funding.

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximizing the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Providing adequate opportunities for the principal and staff to deliver a case management approach to learning; whilst developing staff capability to design, monitor and review effective learning goals and embed constructive feedback in the teaching and learning cycle;
- Using proven strategic tools and evaluation strategies to identify, support, monitor and review a variety of initiatives in the teaching and learning of reading;
- Using a collaborative approach to research, develop and deliver quality educational opportunities and learning programs for students in the early years with a focus on age-appropriate pedagogies whilst strengthening affiliations with local pre-prep providers, the Playgroup Association of Queensland and the Wooroolin Community Playgroup.
